Leading SAFe® 6.0

Description

Discover our **Leading SAFe® training (version 6)**, a unique opportunity to develop essential and highly sought-after skills on a global scale. This **Leading SAFe® training** prepares you to pass the SAFe 6 Agilist (SA) exam and earn the prestigious SAFe® Agilist (SA) certification.

Designed for executives and professionals seeking expertise in large-scale agility, our **Leading SAFe® training** focuses on the practical application of the Scaled Agile Framework (SAFe) concepts. Here, you will learn to lead an enterprise by applying Lean-Agile principles, develop your portfolio with lean management, and create robust solutions.
